Our team of professionals will work in partnership with your expert travel agent to help you plan the perfect holiday; one that is meticulously thought out and seamlessly executed. At Lusso, high expectations come as standard.

At the heart of all that we do are our travel advisors. True specialists in their craft, most have over 25 years experience in the industry and travel regularly to the destinations and properties within our portfolio. Their first-hand, up-to-date and intimate knowledge means that they can truly advise you; from the optimum room and suite or best destination spa, to the ultimate family getaway and most romantic honeymoon. Be assured that their knowledge of new places and only the very best hand-picked resorts is always evolving.

Our close working relationships with all of our partners means that every effort is made to confirm even the smallest of special requests, adding that all important personal touch. Recognising that your holiday time is precious, we endeavour to only use the best of the best, from airlines and transfers, to resorts and local experts, ensuring your experiences are both hassle-free and with the added piece of mind of our full financial protection.

Lusso Lifestyles

Enjoy the very best in luxury travel and let our expert team create individually tailored holidays to suit you and your holiday preferences. Our travel advisors can pinpoint destinations that offer a diverse range of experiences and bring our Lusso style to life.

Retreat to an idyllic island, stay in an exclusive suite, voyage on a luxury cruise and take in the stunning surroundings. Celebrate weddings, anniversaries and other romantic occasions wherever and however you choose; from staying in an intimate corner of a luxury resort to a private meal just for two on a sandbank, the options are endless. Spoil your young ones with memorable family holidays, staying at family-friendly resorts with dedicated kids clubs, entertainment and activities, providing fun for all ages and a chance to enjoy time alone, as well as that all-important time together. Whether you favour active pursuits or the leisurely respite of a spa, we can recommend hotels and resorts ideal for you. For sporting enthusiasts we can suggest scenic golf courses, magical dive sites and various other activities on land and at sea, from mainstream hobbies to unusual options such as kitesurfing. However, if the soothing qualities of a spa hold greater appeal, we can also pre-book treatments and personalised pampering packages, ranging from simple beachside massages to lavish full day therapies dedicated to you.

Cruise

Board the sleek silhouette of a cruise ship and savour its glittering elegance as you set sail in search of an ever-changing horizon, finding a home in some of the world's most glamorous harbours, spectacular islands and idyllic ports of call.

With an astonishing array of facilities and activities, guests can indulge in the things there is never time to do on land. Dine in exquisite restaurants serving food from around the globe, take in live entertainment, dance the night away or simply sip cocktails on deck. Add to all this the outstanding first-class service from attentive crew and sumptuous accommodation, and it is understandable why cruises attract guests time and time again.

To truly capture the joy of cruising, opt for one of the more intimate, luxurious ships of Silversea, Crystal Cruises, Regent Seven Seas Cruises, Seabourn, SeaDream Yacht Club and Star Clippers, each transporting guests to amazing destinations often out of reach of larger vessels. While these companies share similarities in terms of service and dedication to guest enjoyment, they differ in size, style and the unique voyage experiences they provide. Though magical in its own right, a cruise can also feature as part of a bespoke itinerary, designed to enhance a special travel experience and provide an altogether more relaxing means of discovery. Our chosen cruise partners below offer a number of exciting itineraries which can be combined with any of our featured properties pre and post cruise. With endless combinations available there is sure to be something for everyone.

SILVERSEA

Experience all-suite luxury cruising on one of the intimate Silversea ships. Understated sophistication and tastefully designed suites allow guests to enjoy a relaxed voyage, while a crew-to-guest ratio of nearly one-to-one promises exceptional service. Life onboard Silversea involves a myriad of all-inclusive delights, with leisurely days and refined evenings combining to create a welcoming atmosphere.

REGENT SEVEN SEAS CRUISES

The impressive ships of the Regent Seven Seas fleet includes the larger all-suite and all-balcony Seven Seas Mariner, Seven Seas Voyager and new Seven Seas Explorer, while the smaller Seven Seas Navigator accommodates an exclusive 490 guests. Each ship and voyage offers the highest levels of personal service, an abundance of things to do, fine food and free unlimited shore excursions in all ports of call.

SEADREAM YACHT CLUB

A welcome retreat for just over a hundred guests and nearly the same number of crew members, these inviting and relaxed voyages differ to those onboard larger ships. SeaDream Yacht Club's twin mega-yachts navigate the seas in comfort, with 5-star service and a host of ways to spend the days. The intimate size of SeaDream I and SeaDream II grants them the freedom to dock in otherwise inaccessible yachting playgrounds.

CRYSTAL CRUISES

Acclaimed for over two decades, Crystal Cruises boast first-class service from attentive crew, elegant spacious accommodation and all kinds of experiences, both on land and at sea. The larger ships Serenity and Symphony are joined by latest addition, the intimate 62-guest yacht Crystal Esprit, and together combine to make up an award-winning luxurious and all-inclusive fleet.

SEABOURN

Luxurious and sophisticated, enjoy all that these vessels have to offer, from the all-suite accommodation, expansive open decks, welcoming social spaces and delicious dining venues, to the thoughtful activities and entertainment. In addition to the award-winning Seabourn Odyssey, Seabourn Sojourn and Seabourn Quest, the all new Seabourn Encore ensures that this will be the youngest and most modern fleet at sea.

STAR CLIPPERS

These impressive ships, including the full-rigged, five masted Royal Clipper, epitomise the elegance of the grand age of sailing. Operating three of the world's largest and tallest sailing ships, passengers enjoy the lifestyle and laid-back atmosphere of a private yacht. Carrying between 170 and 227 guests, the Royal Clipper, Star Clipper and all-new Star Flyer offer intimate voyages around the world.

Caribbean Villas & Yachts

There are few things more enjoyable than the comfort and exclusivity of staying in your own villa or private yacht, a true ‘home from home’ where you can fully immerse yourself in a wonderful balance of freedom and privacy on land or at sea.

The selection of villas available for holiday rental in the Caribbean is vast, ranging from chic contemporary beachfront apartments to majestic residences and exclusive resort villas. Whether you seek a romantic retreat, family fun, special celebration or group getaway, villas come in all shapes, sizes and styles, with a multitude of bedroom options. Stay high on a hilltop overlooking magnificent views, only moments from the waterfront or within the grounds of world-class resorts with a wide variety of fine restaurants and fabulous golf courses never far away. Enjoy the luxury of a private swimming pool, plunge pool or Jacuzzi, or play on your very own tennis court. In most cases a dedicated and experienced team of staff deliver personal and friendly service, leaving you free to relax and reconnect.

For a true sense of escape, why not head out on the open water? A range of yacht options can cater for all occasions, from an intimate party of two to larger groups of up to 20 guests, each with the fine service and cuisine that you would expect from a 5-star all-inclusive resort. The joy of sailing means that every day and every destination delivers something new, with every harbour promising its own adventure.

We select only the most striking selection of grand villas, entire island takeovers and chartered fully crewed yachts, all of which are perfect for sharing memorable celebrations, exclusive events or just those extra special holidays.

PRIVATE VILLAS

Each of our villas is one-of-a-kind, with luxury features such as private pools, large living areas and multiple bedrooms. Whether you want to hide away on a hillside, be only steps from the sea, seek somewhere idyllic for a romantic stay or space for kids to play, there are villas to fit every need. Homely comforts reach new heights with the added options of having private chefs, nannies and other staff.

LUXURY APARTMENTS

A collection of handpicked luxury apartments can be found in a variety of beautiful Caribbean locales, including Barbados with its charming condo-style buildings on the beachfront boasting wonderful views. Whether it's just for two, or for family and friends, there are apartments ranging in size and setting, usually with one to four bedrooms and unique features such as private plunge pools, rooftop terraces and other impressive characteristics.

HOTEL & VILLA RESORTS

Wonderful villas are dotted across the Caribbean, some of which can be found nestled within 5-star hotels and resorts. These properties offer the best of both worlds, from the intimacy of your private living areas to the perks of using resort amenities. Whether you swim in your own pool, dine on your villa's terrace or immerse in the resort's spa, restaurants and bars, the choice is yours.

PRIVATE YACHT CHARTERS

At sea you are assured that no two days are ever the same and the uniqueness and quality of a private yacht experience guarantees that indefinable wow factor which sets this type of holiday apart. From sleek motoryachts and classic schooners, to dive-oriented trimarans and catamarans, the choice of yacht for your charter is endless. Each yacht and professional crew has its own personality, lending their own panache and flair to the vessel.

Caribbean, Bermuda & Mexico

It's certainly no secret that the Caribbean, Bermuda and Mexico are home to spectacular destinations, which combined create a stunning collection of islands, pristine beaches, lush landscapes and vibrant towns and cities.

Together, the mosaic of islands that make up the Caribbean provide wonderful variety for travellers. From the mountain peaks of Saint Lucia to the shimmering reefs of The Bahamas; the reggae rhythm of Jamaica to the lively beats of Antigua's carnival; or the British Colonial notes of Barbados, to the French influences of St. Barths. Wherever you go, diversity is ever-present. Amid all of this are UNESCO World Heritage Sites, numerous sporting activities and outdoor adventures, food bursting with flavour and harbour hotspots providing playgrounds for the rich and famous. Experience multi-centre island hops, sailing on private yachts and luxury liners, or stays in boutique inns, all-inclusive resorts and private villas.

Standing alone in the Atlantic Ocean is Bermuda. Conveniently located off the east coast of North America, this pastel-hued paradise is a favourite among golfers and divers, with its beautiful land and seascapes. Boasting a summer climate, the island plays host to all kinds of attractions, from the naval history of its dockyard, to frolicking with its bottlenose dolphins.

Mexico feels like a distant relation to the islands. A melting pot all in one, it is alike for its beautiful beaches on the Riviera Maya, or waves and whale watching of Los Cabos, yet unique for its strong Mayan culture, ancient ruins in the Yucatán region, and bright lights of Cancun and Playa del Carmen.

Things you should do

A Taste of Barbados

When it comes to Barbados, one thing you will never be hungry. Not only are there fantastic dining options within the hotels and resorts but the local independent restaurants are truly delicious, with world-famous eateries like The Cliff, Cin Cin by the Sea and Lone Star drawing foodies from all over. But be sure to book in advance to avoid missing out – especially in peak season.

Sporty Side of Life

When it comes to the Caribbean sporting calendar, nowhere does it better than Barbados. Whether it's watching the Windies play at the Kensington Oval, having a flutter at Garrison Savannah Racetrack, enjoying a day at the Polo, playing one of the amazing championship golf courses or attending one of the many sailing, hockey, rugby or motorsport events, there really is something for everyone.

The Concorde Experience

Explore advanced engineering and elegance merged into one supersonic aircraft. Experience for yourself why Concorde won the hearts of so many as you view and board this iconic aircraft, learning it's history and gaining a sense of what it must have felt like to be a passenger walking the red carpet for a flight. One such passenger was Queen Elizabeth II, who took the first Barbados Concorde flight in 1977.

Barbados

An irresistible combination of the exotic and the familiar, Barbados' natural beauty and strong colonial connections have made it a popular choice for travellers; often drawn by its warmth, colour, vibrancy and rich cultural heritage with a contrasting divide.

On the south and east coasts expect dramatic cliffs, crashing waves and unspoilt ocean views. To the north and west, a more tranquil feel pervades, with balmy waters, immaculate beaches, world-renowned hotels and exquisite restaurants. Discover a noticeable homage to the days of the British Commonwealth, both architecturally and in the time-honoured customary traditions, such as afternoon tea, cricket, polo matches and horse racing at the Garrison Savannah. Enjoy the wonder of the diverse and beautiful seascape, where turtles bob along the waves and schools of colourful fish flit in the lagoon. On land, green monkeys thrive in the Wildlife Reserve and botanical gardens offer tropical sights, sounds and smells. Absorb the grace and elegance of historic plantation houses, play golf on championship courses, try horse riding, deep sea fishing or board the Atlantis submarine. Dine on the freshest local seafood washed down with a locally brewed Banks beer or Mount Gay rum cocktail.

Antigua

With a beach for every day of the year, Antigua is a white sand island with picture-perfect seascapes and a tranquil refined style. British Colonial history is ever-present, with Nelson's Dockyard, impressive sailing ships and handsome plantation houses dotting the island.

Centrally located within the Caribbean, this island offers an array of activities that allow you to explore the wondrous landscape.

Watersports abound, from catamaran and sailing trips to the rich yachting scene, shipwrecks for keen scuba divers and fantastic snorkelling opportunities. On land, visit the rainforest, embark on the scenic Fig Tree Drive or take a kayaking trip through the magical mangroves. The varied local cuisine is well worth sampling: mouth-watering Creole seafood; fungi and pepperpot, a delicious stew; and the freshest indigenous fruits including mangoes, papayas and pineapples. Take in the historic sights such as the sugar plantation Betty's Hope or the impressive Fort Berkeley, the island's defensive mainstay for centuries. From the world-famous yacht regattas, charter yacht shows and flamboyant carnivals of July and August, Antigua is vibrant, buzzing and a delight to all the senses.

Things you should do

No trip to Antigua would be complete without a trip to Nelson's Dockyard, the only Georgian dockyard still in use today. Beautifully restored, 18th and 19th century buildings house modern shops, restaurants and cultural exhibits, perfect for leisurely perusing on relaxing sunny days. Outside the dockyard, historic forts dot the landscape and hiking trails allow visitors to take in the scenery.

Shirley Heights

A restored military lookout and gun battery, Shirley Heights is the ideal vantage point for taking in superb views across the island. Capture it early evening and you'll even see the sunset and watch as the harbours light up. Take a picnic or private guided trip during the day or head there on a Sunday late afternoon as locals enjoy drinks and a barbecue to local music.

Immerse in an exciting snorkelling adventure, the only one of its kind in the Southern Caribbean. Take the 'Seafari Explorer' powerboat to premier sites off the island's west coast, including the Underwater Sculpture Garden. Located slightly north of the capital town of St. George's, this is one of Grenada's hidden secrets; entirely underwater, it is a fascinating spot for snorkelling and diving.

Take a catamaran cruise along the scenic southwest Caribbean coast towards Point Salines, the southernmost point of Grenada, enjoying the exhilarating experience of sailing upwind on the Atlantic side to secluded Hog Island. After a snorkelling stop on a vibrant coral reef, you will be treated to a champagne and lobster lunch prepared and cooked fresh for you on the island.

Grenada

Often referred to as 'the spice island', Grenada is as enigmatic, heady and sensuous as the spices that it grows. Succumb to the individual charm of this romantic destination, with its distinctive culinary influences, rainforests, waterfalls and idyllic harbour.

Situated in the south of the Caribbean at the foot of the Windward Islands, Grenada is attractive, green and lush with wonderful walking routes through the tropical rainforest at Grand Etang. Swim in the mesmerising Seven Sisters and Concord waterfalls inland, or make the most of the immaculate beaches. Ideally positioned for sailing, why not charter a yacht or catamaran and spend some time meandering through The Grenadines, or take a day trip to sister islands Petit Martinique and Carriacou. Located in St. David, the Laura Land Herb and Spice Garden has numerous samples of trees, herbs and spices grown on the island, where you can take a tour to discover the traditional herbs used in local medicine. The people here are warm, friendly and welcoming and always willing to share their culinary secrets. Things you should do

Scenic Railway

This old railway line now has a new life taking travellers on an 18 mile meander around the Atlantic coast of St. Kitts with a guided commentary and drinks. Take in the scenery as you travel in traditional, double-decker carriages as far as La Vallee Station in Newton Ground, skirting by light green fields of cane and dark green rainforests, and winding through small villages and farms along the way.

Historic Nevis

Meet your guide and experience this enchanting island tour. Visit Nevis Museum, the birthplace of Alexander Hamilton, the artisan village, historic plantation hotels, Nevis' natural hot springs, The Bath, and the capital of Charlestown. End your tour with a freshly prepared lunch at Lime Beach Bar followed by a 'Killer Bee' rum punch at Sunshine's.

Golf with a View

Take in a dramatic view of the Caribbean and the neighbouring island of St. Kitts, while enjoying a round of golf on the pristine Robert Trent Jones II course at Four Seasons Resort Nevis. Situated on Pinney's Beach, the course is set on the coast with excellent views out to sea and under the dramatic backdrop of Nevis Peak. You can also perfect your swing with private lessons from the resident professional.

St Kitts & Nevis

An idyllic set of sister islands, St. Kitts and Nevis are the Caribbean's hidden gems. With an authentic and untainted Caribbean vibe, these beautiful destinations are blessed with impressive volcanic peaks, verdant tropical rainforests and exotic flora and fauna.

The two-island nation combines beaches with elegant mountains, activities that will engage your body and a rich history that will engross your mind. The two share a local culture that is mellow, friendly and infused with a pulsing social rhythm, and yet each has its own individual identity steeped in colonial traditions and fascinating history. Plantation houses make the perfect context for inimitable boutique hotels and have beautifully preserved individual features, such as the flourishing botanical gardens with bathhouse and thermal springs, or the Brimstone Hill Fortress National Park. The people here are extremely friendly and hospitable, and service is exceptionally attentive. Benefit from superb championship golf courses, partake in a variety of watersports or scale Nevis Peak; the beaches on Nevis are particularly spectacular. Expect traditional Caribbean cuisine in this sunny, colourful area of the islands: salt fish, spicy plantain, coconut dumplings and the freshest tropical fruits are among the dishes on offer.

A Festival for All

Throughout the year the islands play host to all kinds of events and festivals, from Mardi Gras in February and film, book and theatre festivals in Spring, to summer music and gourmet events towards the end of the year. For two small Caribbean islands there is certainly no shortage of things to do and the atmosphere of these gatherings is an experience in itself.

St Barths & St Martin

Typically chic and sophisticated, the French Caribbean has a notably Mediterranean feel to it, as can be seen in St. Barths and St. Martin. These small island gems are home to a wealth of natural beauty, charm and attractions just waiting to be discovered.

A hideaway for the rich and famous, the islands are secluded, private and set back from the main tourist trail, yet offer the highest standards of hospitality at a selection of exquisite boutique hotels, plus glamorous shopping and exceptional fine dining restaurants. Both islands are also decorated with wonderful beaches making them great for watersports. St. Barths, the smaller island, boasts glorious coastlines and coves, while Gustavia, the harbour-side capital, plays host to stylish pavement cafes, gourmet restaurants and a bustling yachting marina. St. Martin is a cosmopolitan half Dutch, half French settlement with a distinctive ambience, featuring the historic Fort Louis and picturesque Pic Paradis, where you can climb to the highest point on the island. French in style throughout, a continental stroke of culinary magic is apparent on both islands, from buttery croissants and brioche to delectable cheeses, fresh oysters and foie gras, flown in daily from France – a true foodie's paradise.

British Virgin Islands

One of the world’s best kept secrets, the British Virgin Islands are a scattering of over 60 small, yet perfectly formed, breathtakingly beautiful islands and cays and the very best way to experience this destination is by uncovering their unique character in turn.

Largely undeveloped, the magic of this area is still very much alive; discover the islands by boat, find your very own immaculate sandy cove, explore the rich sea life, bask in the crystal clear waters and enjoy a slice of paradise. Water is the dominant theme to your stay here, principally because the wonder of the seascape is inescapable. Discover spectacular dive sites including fascinating shipwrecks and a superbly preserved underwater terrain. Take a fishing trip, charter a yacht between the islands, swim with dolphins in Tortola and enjoy world-class snorkelling around the huge boulders at The Baths. From cove and cay hopping to delicious rustic cuisine, get back to nature and appreciate the simple untouched beauty of your surroundings. Absorb the warmth of the friendly population and relish a tasty Anegada lobster with a fiery Pusser’s rum: the perfect end to a heavenly day.

Things you should do

Visit Jost Van Dyke

Set sail for Jost Van Dyke, stopping to snorkel at Monkey Point on Guana Island along the way. Visit the original home of the famous ‘Pusser’s Painkiller’ cocktail at The Soggy Dollar Bar then on to Foxy’s for lunch, where a local islander entertains guests on his guitar. On the way back you will stop at the tiny blissful islands of Green Cay and Sandy Spit, ideal for photos.

Snorkelling Spring Bay

Experience the stunning giant boulders that line the beach, encircled by soft white sand and clear waters. Make the most of excellent swimming and snorkelling among the vibrant marine life at The Baths or try the quieter, neighbouring beach of Spring Bay, maintained as a local secret. Out of the water the manicured lawn leading to the beach is perfect for picnics and recreational games.

Charming Tortola

Take a stroll around the Botanical Gardens, 4 acres of indigenous and tropical plants with a pergola walk, lily pond, waterfall, tropical bird houses, and miniature rainforests or take in the VI Folk Museum, a traditional West Indian wooden house containing artefacts from the Amerindian and plantation periods and the wreck of the RMS Rhone.

Boat Trip

Bermuda's waters are home to an array of fish, not to mention turtles and even humpback whales in season. Take a boat trip to see this amazing marine life or head out to one of 300 shipwrecks, where you can feed the fish, snorkel or dive. Diving the wrecks is like a walk through history with many still wonderfully preserved and waiting to be discovered.

USA & Bermuda

For the perfect city and beach experience combine a stay on the island with a visit to one of the USA's east coast cities, such as New York or Boston, which are little more than a 2 hour flight away. Enjoy the wonderful contrast between tranquil island life and the hustle and bustle of the cities with all of their metropolitan attractions.

Railway Trail

Cycle from one end of the island to the other following the Railway Trail, an abandoned railbed that winds through pretty landscapes and along stunning rocky coastlines. Take in 18 miles of island history and breathtaking views as you explore by foot or pedal bike, and with no motorised vehicles to spoil the peaceful atmosphere.

Bermuda

Made up of 181 islands over just 21 square miles, the colonial idyll of Bermuda offers a wealth of attractions for the modern traveller. With a sub-tropical climate, pastel-coloured buildings and pink sand beaches, it really is picture perfect.

Located 600 miles from the east coast of America in the Atlantic Ocean, Bermuda is the ideal choice for families and couples seeking that blissful getaway. Blessed with year round warm weather, the historic capital St. George, a World Heritage site, and a distinctly friendly local culture, the island offers plenty to see and do. Try invigorating adventures like hiking or biking from one end of the island to the other, or rock climbing on coastal cliffs and diving the coves. Make a splash in the water while swimming with dolphins, a truly memorable experience, or enjoy leisurely days on the seven championship golf courses, perusing the shops and taking in the Royal Naval Dockyard. Bermuda proudly hosted the 35th America's Cup in 2017, the world's most prestigious sailing event where the best sailors and fastest boats compete for the oldest trophy in international sport. As well as the lure of sun, sea, sand and scenery, travellers can experience the delights of local culture and cuisine, from delicious fish chowder and salt cod, to sipping legendary 'Dark and Stormy' rum cocktails at sundown.

ACCOMMODATION CATEGORIES

The accommodation featured throughout our brochures carries no official hotel ratings and the room category terminology is that set by the hotel. Generally, the room categories and prices are determined by location within the resort/hotel e.g. proximity to the beach or pool. It is important to note that facilities vary quite significantly and due to the nature of the property may omit certain amenities such as televisions and air conditioning to retain the resorts authenticity or ambience. If a particular amenity is essential to your requirements, please check that this is available at the time of booking.

NON-FEATURED PROPERTIES

We have the ability to book properties that are not featured in our brochure or on our website, however these are sold on a purely transactional basis and are therefore not booked with the same level of knowledge or contacts as our featured hotels.

FLIGHT TIMES

The scheduled flight times detailed on your Confirmation Invoice are provisional and subject to change. Final timings will be advised to you on your travel documentation shortly before the departure date.

LUGGAGE ALLOWANCE

Luggage allowances and permitted items vary from airline to airline and we recommend that you check the luggage policy of the airline(s) with which you are flying or ask us for further details. Many US Domestic Airlines charge for checked luggage.

TRAVEL DOCUMENTATION

Your travel documentation will be posted to your travel agent first class approximately 21-14 days prior to departure. Please check the documentation carefully and inform your travel agent of any errors or omissions as soon as possible.

PASSPORT AND VISA REQUIREMENTS

It is solely your responsibility to obtain any passports, visas, health certificates, international driving licences, entry requirements and other travel documents required for your holiday. Please note that we do not accept any responsibility or liability if you cannot travel, or incur any other loss because you have not complied with any passport, visa or immigration requirements or any health formalities. See our Terms & Conditions for more information.

A valid ten-year British Passport, with a minimum validity of at least six months on the arrival date back in the UK, is required for all holidays featured in our brochures. Should your passport be in the final year of validity we advise you to thoroughly check the requirements of the country you intend to visit prior to finalising your travel plans. For further detailed information please visit the Identity and Passport Service website www.ips.gov.uk. Non British Citizens must check their passport and visa requirements prior to booking with the Embassy or Consulate of the country they intend to visit.

ADVANCE PASSENGER INFORMATION SYSTEM (APIS)

Due to new security measures introduced by the airlines, it is now essential that all persons travelling provide us with full and accurate passport information (Advance Passenger Information) before they travel. We are required to provide details of your destination accommodation, country of residence, name on your passport, passport number and date of birth to your airline. At the time of booking it is imperative that this information is provided to us accurately as it appears on your passport. Failure to do so could result in the airline refusing to allow you to board the aircraft or the country of destination refusing you entry. Please also be aware that airlines are unlikely to allow a subsequent name change after booking without financial penalty for which we cannot be held liable.

IMPORTANT INFORMATION FOR THOSE TRAVELLING TO OR IN TRANSIT VIA THE US.

VISA WAIVER PROGRAMME (VWP)

UK passport holders may be eligible to travel to the United States (US) visa free under the Visa Waiver Program (VWP) if they are travelling for business, pleasure or are in transit. They must be travelling on a valid, machine readable passport (MRP) or ePassport with an electronic chip. If you have either type of passport then you may qualify for up to 90 days travel without a visa under the VWP as long as you, or any of your party, have no serious communicable diseases, or have ever been arrested (even if not convicted). Please visit www.usaembassy.org.uk for further details of all restrictions. If you are unsure whether you qualify for travel under the VWP please consult the Identity & Passport Service or US Embassy.

ELECTRONIC SYSTEM TRAVEL AUTHORISATION (ESTA)

The US has a mandatory requirement for all those travelling (including infants) under the Visa Waiver Programme to provide details online at least 72 hours prior to travel. With immediate effect, anyone who has travelled to Libya, Iran, Iraq, Somalia, Sudan, Syria or Yemen since 1 March 2011, as well as those who have dual nationality of some of these countries, will be excluded from the Visa Waiver Programme. If you do not have an ESTA you will be refused travel to the US. For more information, and to apply online, please visit the ESTA website at <https://esta.cbp.dhs.gov>. It is extremely important that the information you provide is accurate and matches the APIS information you provided to us as any differences could delay or prevent your entry to the country.

HEALTH REQUIREMENTS

We strongly recommend that you contact your GP or other medical professional for advice concerning the country you are visiting as early as possible, as health requirements such as required vaccinations can and do change. If you have a medical condition or are taking any medication then you should get clearance from your doctor prior to travel and we recommend that you carry a copy of the prescription with your medication. Further sources of information can also be found by visiting www.nathnac.org/travel, www.masta-travel-health.com or www.fitfortravel.nhs.uk.

TRAVEL ADVICE

The Foreign & Commonwealth Office recommend that all British Travellers refer to their ‘Know Before You Go’ section on their website for the latest and up-to-date travel advice for your destination prior to departure. Please refer to www.fco.gov.uk. You can also call ABTA’s Consumer Information Line on 0203 117 0599 (UK calls only).

HEALTH AND SAFETY

Applicable safety standards throughout our featured destinations are those of the country concerned and may not be the same standard as those expected within the UK. Please be aware that in some cases it can be lower. We therefore strongly advise you to exercise increased levels of care and diligence when abroad. We urge you to familiarise yourself with your surroundings, paying particular attention to fire procedures, fire exits and pool areas.

The depth and design of hotel pools vary and it may be the case that some hotels do not have poolside lifeguards present. Please take care in these situations, having first familiarised yourself with the depth of the pool and means of exit. This is especially important for any children you may have with you and you should ensure that they are supervised at all times.

Unfortunately, it is the case that crime occurs the world over and it is important that you take the same responsibility for your personal safety and possessions as you would at home. To reduce the chances of anything unpleasant happening, we recommend that you take appropriate precautions such as avoiding poorly lit areas at night, if you are unsure where you are going ask your local representative or hotel reception for directions and advice on the local area, lock windows and doors, avoid carrying too much cash and use the in-room safe (where applicable) for passports and expensive items. We enclose with our travel documentation ABTA’s Guide ‘How to have a safe and healthy holiday in the sun’ and we recommend that you read this as it contains important travel advice.

CHECK-IN/CHECK-OUT

Check-in and check-out times vary from hotel to hotel but it is generally the case that rooms are available from 2pm onwards on the day of arrival and must be vacated by 11am on the day of departure. Should you require specific timings please ask us for further details.

DRESS CODE

Dress codes vary between hotels and destinations. For example certain restaurants in Bermuda require more conservative attire and gentleman are required to wear a jacket and tie. In addition, clothing with a camouflage print is banned throughout much of the Caribbean. Please contact your travel agent or Lusso should you require further information with regard to dress code.

BUILDING WORKS

We aim to ensure that your arrangements will not be affected by substantial refurbishment or located in an area of significant building works. However, in certain developing areas building works are almost unavoidable and can begin without prior notice. Should we become aware of works that may adversely affect your holiday we will notify you and your travel agent as soon as possible.

DRINKING WATER

You will find that, regardless of the standard of the hotel, the quality of the water differs from that in the UK. Some people may experience upset stomachs from even high quality water. We advise that you drink bottled water. Please contact a medical professional if you require any further advice.

UTILITIES

Supplies of water and power in most of the destinations we feature are more than adequate. While it is uncommon, in some of the less

developed or more remote destinations you may experience power and/or water restrictions. Please be patient while the hotel rectifies the problem.

CAR HIRE

At Lusso we aim to offer competitive car hire but hiring a car through us is not included as standard within our package prices. When arranging car hire we recommend that you check carefully the items which are included within your rate and those which are excluded. Optional extras can include one way drop fees, child seats, GPS systems, young drivers fees, additional driver fees and ‘top up / excess waiver’ insurance fees. Please note that if you are intending to hire a car many countries have a minimum age requirement of 21 years. You must also hold a valid driving licence and present both paper and photocard versions. Additionally please also be aware that driving standards and speed restrictions may not match those that you are used to in the UK and we strongly advise extra care is taken while driving abroad.

SPECIAL REQUESTS

We take pride in being able to assist our clients wherever possible with any special requests you may have. However, these must be advised to us in writing at the time of booking. While every effort will be made by us to try and arrange your special requests, we cannot guarantee that they will be fulfilled (please see our Terms & Conditions for more details).

DATA PROTECTION

To comply with the Data Protection Act we would like to advise you that we have taken appropriate measures to protect the personal information held by us. We must advise you that for us to provide you with the products or services you require, it will be necessary to provide the personal information you supply to us to relevant organisations and may involve sending your details to countries that do not have an equal level of data protection legislation to that of the UK. By making a booking with us you give your consent that we may pass these details to these other organisations. We may also from time to time contact you with information about special offers, brochures, new products, forthcoming events or competitions. We may also pass your details to other parties who offer goods or services which we feel may interest you. If you do not wish to receive such information, you may ask us in writing not to receive it. Full details of our Privacy Policy are available on request.

TELEPHONE CALLS

It is important to us that we provide excellent customer service and it is for this reason that telephone calls to our UK office are recorded for security and monitoring purposes.

3. Booking and Paying for Your Arrangements

By making a booking, the first named person on the booking agrees on behalf of all persons detailed on the booking that:

- He/she has read these terms and conditions and has the authority to and does agree to be bound by them;
- He/she consents to our use of information in accordance with our Privacy Policy;
- He/she is over 18 years of age and resident in the UK and where placing an order for services with age restrictions declares that he/she and all members of the party are of the appropriate age to purchase those services.

A booking is made with us when a) you tell us that you would like to accept our written or verbal quotation, and b) you pay us a deposit (see Clause 4) or if booking within 8 weeks of departure full payment and c) we issue you with a booking confirmation. A binding contract will come into existence as soon as we have issued you with a booking confirmation that will confirm the details of your booking and will be sent to you or your travel agent. If your confirmed arrangements include a flight, we (or if you booked via an authorised agent of ours, that agent) will issue you with an ATOL Certificate and a booking confirmation. Upon receipt, if you believe that any details on the confirmation, ATOL certificate (if applicable) or any other document are wrong you must advise us immediately as changes may not be able to be made later. The balance of the cost of your arrangements is due not less than 8 weeks prior to the start of your arrangements. If we do not receive this balance in full and on time, we reserve the right to treat your booking as cancelled by you in which case the cancellation charges set out in Clause 8 will become payable. Any money paid to an authorised agent of ours in respect of a booking covered by our ATOL is held by that agent on behalf of and for the benefit of the Trustees of the Air Travel Trust at all times, but subject to the agent's obligation to pay it to us for so long as we do not fail financially. If we do fail financially, any money held at that time by the agent or subsequently accepted from the consumer by the agent, is and continues to be held by that agent on behalf of and for the benefit of the Trustees of the Air Travel Trust without any obligation to pay that money to us. If your booking is made through a travel agent all communications by us will be made to that address. If you arrange your holiday directly with us the correspondence will be forwarded to the lead passenger on the booking unless otherwise stipulated.

4. Deposits

The amount of deposit you pay will vary depending on the type of service you book and will be advised to you at the time of booking. Our minimum deposit amount is £250 per person or 5% whichever is the greater amount. Higher deposits may be required during peak periods and where prepayments to suppliers are necessary. Some airlines require tickets to be issued at the time of booking, in which case the deposit will be at least the full cost of the ticket and may not be refundable or transferable.

5. Our Price Policy

Our brochure has been prepared and costed many months before travel and is based on known costs and exchange rates as advertised on www.xe.com on 02 August 2017. The prices in this brochure are for guidance purposes only and the price of your holiday will be confirmed at the time of booking. Once your booking is confirmed and you have paid a deposit or full amount if you book within eight weeks of departure, the price of your holiday as shown on your confirmation invoice is guaranteed and will not be subject to any changes or surcharges, (except where an error has been made by us) unless you elect to change the confirmed booking. In return for this commitment to you at no time are we liable to give you a breakdown of costs nor refund you for any exchange rate movements or cost adjustments that may reduce the cost of your holiday. Please note that we reserve the right to amend the price of unsold holidays at any time and correct errors in the price of confirmed holidays.

6. Method of Payment

We accept all forms of payment. For Visa, Mastercard and American Express transactions we may charge a fee which will be advised to you at the time of booking. Cheques should be made payable to Lusso Travel Ltd. Details for Bank Transfers are available upon request.

7. Changes by You

If you wish to change any part of your booking arrangements after our confirmation invoice has been issued, you must inform us in writing as soon as possible either directly or via your travel agent. This should be done by the lead name on the booking. Whilst we will do our best to assist, we cannot guarantee that we will be able to meet your requested change. Any alterations are only possible if permitted by our suppliers. Where we can meet a request, all changes will be subject to any applicable rate changes or extra costs incurred as well as any costs incurred by ourselves and any costs or charges incurred or imposed by any of our suppliers. We will charge an administrative charge of £25 per amendment. You should be aware that these costs could increase the closer to the departure date that changes are made and you should contact us as soon as possible. Where we are unable to assist you and you do not wish to proceed with the original booking we will treat this as a cancellation by you. A cancellation fee may be payable.

Note: Certain arrangements may not be amended after they have been confirmed and any alteration could incur a cancellation charge of up to 100% of that part of the arrangements.

8. Cancellation by You

If you or any other member of your party decides to cancel your confirmed booking you must notify us in writing. Your notice of cancellation will only take effect when it is received in writing by us at our offices at 17 London Road, Alderley Edge, Cheshire, SK9 7JT. We recommend that you use recorded delivery. Since we incur costs in cancelling your arrangements, you will have to pay the applicable cancellation charges up to the maximum shown below. The cancellation charge detailed is calculated on the basis of the total cost payable by the person(s) cancelling and amendment charges which are not refundable in the event of the person(s) to whom they apply cancelling:

Number of days prior to departure date when written notice of cancellation received	% of price payable
Up to 56 days prior	deposit only
55 - 43 days prior	50%
42 - 22 days prior	70%
21 - 14 days prior	90%
13 - 0 days prior	100%

Note: We strongly advise you to obtain adequate Travel Insurance with appropriate cancellation cover. If the reason for your cancellation is covered under the terms of your insurance policy, you may be able to reclaim these charges.

If any member of your party is prevented from travelling, that person(s) may transfer their place to someone else (introduced by you) providing they are suitable for our holiday and we are notified not less than 14 days before departure and you pay an amendment fee of £25 per person per amendment and meet all costs and charges incurred by us and/or incurred or imposed by any of our suppliers. In the event of you transferring your booking to another person you are jointly and severally liable for the payment of the holiday cost and other associated expenses. The person to whom the booking is transferred will be deemed to be in acceptance of these booking conditions. No refunds will be given for passengers not travelling or for unused services.

Note: Certain arrangements may not be amended after they have been confirmed and any alteration or cancellation could incur a cancellation charge of up to 100% of that part of the arrangements in addition to the charge above. In these circumstances the applicable cancellation charge will be advised to you at the time of booking.

9. Changes to a Confirmed Booking after Commencement of Travel

If you are forced to return home early, we cannot refund the cost of any services you have not used. If you cut short your holiday and return home early in circumstances where you have no reasonable cause for complaint about the standard of accommodation and services provided we will not offer you any refund for that part of your holiday not completed, or be liable for any associated costs you may incur. If you decide to alter your travel arrangements whilst abroad this is your own responsibility and we will not be responsible for any extras or difficulties that may arise with onward travel as a result of such alterations. Depending on the circumstances, your travel

insurance may offer cover for curtailment and we suggest that any claim is made directly with them.

10. If We Change or Cancel Your Holiday

It is unlikely that we will have to make any changes to your travel arrangements, but we do plan the arrangements many months in advance. Occasionally, we may have to make changes and we reserve the right to do so at any time. Most of these changes will be minor and we will advise you or your travel agent of them at the earliest possible date. We also reserve the right in any circumstances to cancel your travel arrangements. However, we will not cancel your travel arrangements less than 8 weeks before your departure date, except for reasons of force majeure (see Clause 11) or failure by you to make full payment on time.

Examples of major changes include the following when made before departure; a change of accommodation area for the whole or a significant part of your time away, a change of accommodation to that of a lower standard or classification for the whole or a significant part of your time away, a change of outward departure time or overall length of your holiday of more than twelve hours, the closure of the only or all advertised swimming pool(s) at your accommodation for a significant proportion of your holiday. Examples of minor changes include the following when made before departure: any change in the advertised identity of the carrier(s), flight timings, and/or aircraft type; a change of outward departure time or overall length of your holiday of twelve hours or less, or a change of accommodation to another of the same standard or classification.

If we have to make a major change or cancel, we will tell you as soon as possible and if there is time to do so before departure, we will offer you the choice of i) (for major changes) accepting the changed arrangements ii) having a refund of all monies paid or iii) accepting an offer of alternative travel arrangements of comparable standard from us, if available (we will refund any price difference if the alternative is of a lower value). You must notify us of your choice within 7 days of our offer. If you fail to do so we will assume that you have chosen to accept the change or alternative booking arrangements.

If we make a major change or cancel less than 14 days before departure, we will also pay you compensation of £20 per person for each affected day. The compensation that we offer does not exclude you from claiming more if you are entitled to do so. We will not pay you compensation where we make a major change or cancel more than 14 days before departure or in the event that we are forced to make a change or cancel as a result of unusual and unforeseeable circumstances beyond our control, the consequences of which we could not have avoided even with all due care.

The above sets out the maximum extent of our liability for changes and cancellations and we regret we cannot meet any expenses or losses you may incur as a result of change or cancellation. Please note: where accommodation with a higher price than the original accommodation is offered by us and accepted by you, the difference in price will be deducted from any compensation payable. In no case will we pay compensation if accommodation is offered by us and accepted by you with a higher price than that originally booked in the same location where no additional payment is made by you. Compensation will not be paid in respect of children staying at hotels for free and, where payable, will be paid on a pro-rata basis of the adult rate where children have received a reduced rate.

We will not pay you compensation and the above options will not be available if we make a minor change or cancel as a result of your failure to make full payment on time or where the change(s) or cancellation by us arises out of alterations to the confirmed booking requested by you.

Very rarely, we may be forced by force majeure (see Clause 11) to change or terminate your arrangements after departure. If this situation does occur, we regret we will be unable to make any refunds (unless we obtain any refunds from our suppliers), pay you compensation or meet any costs or expenses you incur as a result.

If we become unable to provide a significant proportion of the services that you have booked with us after you have departed, we will make alternative arrangements for you at no extra charge and, if appropriate in all the circumstances, will pay you reasonable compensation.

11. Force Majeure

Noted on force majeure: Except where otherwise expressly stated in these booking conditions we will not be liable or pay you compensation if our contractual obligations (or prompt performance of our contractual obligations) to you are affected by any event which we or the supplier(s) of the service(s) in question could not, even with all due care, foresee or avoid. These events can include, but are not limited to, war, threat of war, civil strife, terrorist activity and its consequences or the threat of

such activity, riot, the act of any government or other national or local authority including port or river authorities, industrial dispute, lock closure, natural or nuclear disaster, fire, chemical or biological disaster and adverse weather, sea, ice and river conditions and all similar events outside our or the supplier(s) concerned's control. Advice from the Foreign Office to avoid or leave a particular country may constitute force majeure. We will follow the advice given by the Foreign Office.

12. Our Responsibilities and Liability to You

(1) Except where we act as an agent in respect of the sales of flights where the place of flight departure and arrival is within the UK (see Sub-Clause 9), we will accept responsibility for the arrangements we agree to provide or arrange for you as an “organiser” under The Package Travel, Package Holidays and Package Tours Regulations 1992 as set out below. Subject to these booking conditions, if we or our suppliers negligently perform or arrange the services which we are obliged to provide for you under our contract with you, as set out on your confirmation invoice, we will pay you reasonable compensation. The level of such compensation will be calculated taking into consideration all relevant factors such as but not limited to: following the complaints procedure as described in these conditions and the extent to which ours or our employees’ or suppliers’ negligence affected the overall enjoyment of your holiday. Please note that it is your responsibility to show that we or our supplier(s) have been negligent if you wish to make a claim against us.

(2) We will not be responsible or pay you compensation for any injury, illness, death, loss, damage, expense, cost or other claim of any description which results from: -

- the act(s) and/or omission(s) of the person(s) affected;
- the act(s) and/or omission(s) of a third party not connected with the provision of the services contracted for and which were unforeseeable or unavoidable; or
- unusual or unforeseeable circumstances beyond our control, the consequences of which could not have been avoided even if all due care had been exercised; or
- an event which either ourselves, our employees, agents or suppliers and subcontractors could not, even with all due care, have foreseen or forestalled.

(3) The services and facilities included in your holiday will be deemed to be provided with reasonable skill and care if they comply with any local regulations, which apply, or, if there are no applicable local regulations, if they are reasonable when compared to the local standards in practice. The fact that services or facilities fail to comply with local or UK guidance or advice shall not of itself mean that the services or facilities in question have not been provided with reasonable skill and care.

(4) We limit the amount of compensation we may have to pay you if we are found liable under this clause:

- loss of and/or damage to any luggage or personal possessions and money. The maximum amount we will have to pay you in respect of these claims is £25 per person in total because you are assumed to have adequate insurance in place to cover any losses of this kind.
- claims not falling under (a) above or involving injury, illness or death. The maximum amount we will have to pay you in respect of these claims is twice the price paid by or on behalf of the person(s) affected in total. This maximum amount will only be payable where everything has gone wrong and you or your party has not received any benefit at all from your booking.
- claims in respect of international travel by air, sea and rail, or any stay in a hotel.

i) The extent of our liability will in all cases be limited as if we were carriers under the appropriate Conventions, which include The Warsaw/Montreal Convention (international travel by air); The Athens Convention (with respect to sea travel); The Berne/Cotif Convention (with respect to rail travel) and The Paris Convention (with respect to hotel arrangements). You can ask for copies of these Conventions from our offices. In addition, you agree that the operating carrier or transport company's own ‘Conditions of Carriage’ will apply to you on that journey. When arranging transportation for you, we rely on the terms and conditions contained within these international conventions and those ‘Conditions of Carriage’. You acknowledge that all of the terms and conditions contained in those ‘Conditions of Carriage’ form part of your contract with us, as well as with the transport company and that those ‘Conditions of Carriage’ shall be deemed to be included by reference into this contract.

ii) In any circumstances in which a carrier is liable to you by virtue of the Denied Boarding Regulation 2004, any liability we may have to you under our contract with you, arising out of the same facts, is limited to the remedies provided under the Regulation as if (for this purpose only) we were a carrier.

iii) When making any payment, we are entitled to deduct any money which you have received or are entitled to receive from the transport provider or hotelier for the complaint or claim in question.

(5) It is a condition of our acceptance of liability under this clause that you notify any claim to ourselves and our supplier(s) strictly in accordance with the complaints procedure set out in these conditions.

(6) Where any payment is made, the person(s) receiving it (and their parent or guardian if under 18 years) must also assign to ourselves or our insurers any rights they may have to pursue any third party and must provide ourselves and our insurers with all assistance we may reasonably require.

(7) Please note, we cannot accept any liability for any damage, loss or expense or other sum(s) of any description which on the basis of the information given to us by you concerning your booking prior to our accepting it, we could not have foreseen you would suffer or incur if we breached our contract with you; or any business losses.

(8) We will not accept responsibility for services or facilities which do not form part of our agreement or where they are not advertised in our brochure. For example any excursion you book whilst away, or any service or facility which your hotel or any other supplier agrees to provide for you.

(9) In respect of the sales of flights where the place of flight departure and arrival is within the UK, we act as agent. We accept no liability in relation to any contract you enter into or for the acts or omissions of any supplier(s) or other person(s) or party(ies) connected with any such booking. For all such flights, your contract will be with the supplier of the flights in question. When making your booking we will arrange for you to enter into a contract with the applicable flight supplier(s) and your booking with us is subject to the specific booking conditions of the relevant flight supplier(s) you contract with. The supplier's terms and conditions may limit and/or exclude the supplier's liability to you. Copies of applicable conditions are available on request from us.

13. Your Responsibilities

Any passports, visas, health certificates, International Driving Licences, entry requirements and other travel documents required for your holiday must be obtained by you, whose responsibility it remains to ensure that these are all in order and to meet any additional costs incurred (whether by you or by us on your behalf) as a result of failure to comply with such requirements. You are responsible to arrive at stated departure times and places and any loss or damage which you suffer through failure to do so lies with you. We have no liability whatsoever to you through your failure to do so. The Foreign & Commonwealth Advice Unit may have issued information about your holiday destination. You are advised to check this information on the Internet under the address <http://www.fco.gov.uk>

All guests staying with us are expected to conduct themselves in an orderly and acceptable manner and not to disrupt the enjoyment of other guests. If in our opinion or in the opinion of any hotel manager or any other person in authority, your behaviour or that of any member of your party is causing or is likely to cause distress, danger or annoyance to any of the other guests or any third party or damage to property, or to cause a delay or diversion to transportation, we reserve the right to terminate your booking arrangements with us immediately. In the event of such termination our liability to you and/ or your party will cease and you and/ or your party will be required to leave your accommodation or other service immediately. We will have no further obligations to you and/ or your party. No refunds for lost accommodation or any other service will be made and we will not pay any expenses or costs incurred as a result of termination. You and/ or your party may also be required to pay for loss and/ or damage caused by your actions and we will hold you and each member of your party jointly and individually liable for any damage or losses caused by you or any member of your party. Full payment for any such damage or losses must be paid directly to the hotel manager or other supplier prior to departure from the hotel. If you fail to make payment, you will be responsible for meeting any claims (including legal costs) subsequently made against us as a result of your actions together with all costs we incur in pursuing any claim against you. We cannot be held responsible for the actions or behaviour of any other guests or individuals who have no connection with your booking arrangements with us.

14. Conditions of Suppliers

Many of the services which make up your holiday are provided by independent suppliers. Those suppliers provide these services in accordance with their own terms and conditions which will form part of your contract with us. Some of these terms and conditions may limit or exclude the supplier's liability to you, usually in accordance with applicable International Conventions. Copies of the relevant parts of these terms and conditions are available on request from ourselves or the supplier concerned. We, or the suppliers of the services you have bought, will provide

you with the services you have bought (or a suitable alternative). In some cases, where neither we nor the supplier are able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable).

15. Flights, Delays and Denied Boarding

The following clause applies to arrangements booked with us that are inclusive of flights.

Please note the existence of a "Community list" (available for inspection at http://ec.europa.eu/transport/modes/air/safety/air-ban/index_en.htm) detailing air carriers that are subject to an operating ban with the EU Community. The carrier(s), flight timings and types of aircraft shown in this brochure and detailed on your confirmation invoice are for guidance only and are subject to alteration and confirmation. In accordance with EU Regulation 2111/2005 we are required to advise you of the actual carrier operating your flight/connecting flight/transfer. We do this by detailing carriers to be used or likely to be used on our website's Airline Information Pages and we shall inform you of the identity of the actual carrier(s) as soon as we become aware of it. The latest flight timings will be shown on your tickets which will be dispatched to you approximately two weeks before departure. You should check your tickets very carefully immediately on receipt to ensure you have the correct flight times. If flight times change after tickets have been dispatched we will contact you as soon as we can to let you know and in all cases at check-in or the boarding gate. Such a change is deemed to be a minor change in accordance with Clause 10.

We use the scheduled services of the world's international airlines and whilst these airlines are rarely subject to lengthy delays there are occasions where airlines are subject to operational delays, change of aircraft and routing, over which we have no control. Where this does occur it is the responsibility of the airline or transport provider concerned to provide refreshments and/or appropriate accommodation. We cannot accept liability for any delay which is due to any of the reasons set out in Clause 13 of these booking conditions (which includes the behaviour of any passenger(s) on any flight who, for example, fails to check -in or board on time).

Under EU Law, you have rights in some circumstances to refunds and/or compensation from the airline in cases of denied boarding, cancellation or delay to flights. Full details of these rights will be publicised at EU airports and will also be available from airlines. Reimbursement in such cases is the responsibility of the airline and will not automatically entitle you to a refund of your holiday price from us. If the airline does not comply with these rules you should complain to the Aviation Consumer Advocacy Panel which is part of the Civil Aviation Authority www.caa.co.uk. This brochure is our responsibility, as your tour operator. It is not issued on behalf of, and does not commit the airlines mentioned herein or any airline whose services are used in the course of your travel arrangements. Please note that in accordance with Air Navigation Orders in order to qualify for infant status, a child must be under 2 years of age on the date of its return flight.

16. Special Requests, Disabilities and Medical Problems

Any special requests must be advised to us at the time of booking e.g. diet, room location, a particular facility at a hotel etc. You should then confirm your requests in writing. Whilst every effort will be made by us to try and arrange your reasonable special requests, we cannot guarantee that they will be fulfilled. The fact that a special request has been noted on your confirmation invoice or any other documentation or that it has been passed on to the supplier is not confirmation that the request will be met. Failure to meet any special request will not be a breach of contract on our part unless the request has been specifically confirmed. We are not a specialist disabled holiday company, but we will do our utmost to cater for any special requirements you may have. If you or any member of your party has any medical problem or disability which may affect your stay, please provide us with full details before we confirm your booking so that we can try to advise you as to the suitability of your chosen arrangements. Acting reasonably, if we are unable to properly accommodate the needs of the person(s) concerned, we will not confirm your booking or if you did not give us full details at the time of booking, we will cancel it and impose applicable cancellation charges when we become aware of these details. If you develop a serious medical problem after making a booking or a medical

problem worsens, we reserve the right to reasonably refuse or cancel your booking, if in the unfortunate event that we cannot accommodate the booking/reservation. In these circumstances we will endeavour to limit any cancellation charges applicable.

17. Complaints

We make every effort to ensure that your holiday arrangements run smoothly but if you do have a problem during your holiday, please inform the relevant supplier (e.g. your hotelier) and our local representative (where applicable) immediately who will endeavour to put things right. Please note that failure to follow this procedure may affect your rights under this contract and reduce or extinguish any claim against us or our suppliers as we have been denied the opportunity to investigate and rectify the problem and/or take steps to reduce or entirely prevent any loss or damage being suffered. If your complaint or problem is not resolved locally, please contact us by email, by telephoning our UK Office on +44 (0) 1625 591111, or our 24 Hour Emergency Telephone Number as detailed on your Itinerary. If the problem cannot be resolved and you wish to complain further, please send formal written notice of your complaint to us at Client Services, Lusso Travel Ltd, 17 London Road, Alderley Edge, Cheshire, SK9 7JT within 28 days of the end of your stay, giving your booking reference and all other relevant supporting information. Please keep your letter concise and to the point. This will assist us to quickly identify your concerns and speed up our response to you.

18. ABTA

We are a Member of ABTA, membership number Y2136. We are obliged to maintain a high standard of service to you by ABTA's Code of Conduct. We can also offer you ABTA's scheme for the resolution of disputes which is approved by the Chartered Trading Standards Institute. If we can't resolve your complaint, go to www.abta.com to use ABTA's simple procedure. Further information on the Code and ABTA's assistance in resolving disputes can be found on www.abta.com. You can also access the European Commission Online Dispute (ODR) Resolution platform at <http://ec.europa.eu/consumers/odr/>. This ODR platform is a means of registering your complaint with us; it will not determine how your complaint should be resolved.

19. Brochure Accuracy and Pricing

The information contained within this brochure and on our website is for guidance purposes only. It is prepared many months in advance and we endeavour to ensure that all the information and prices in our brochures/website are accurate at the time of publication. However, occasionally changes and errors occur and we reserve the right to correct prices and other details in such circumstances. Descriptions of accommodation, facilities and services are obtained from our suppliers in advance of publication and it is possible that an advertised facility may be withdrawn or changed for reasons such as lack of demand, bad weather, maintenance or renovation. You must check the current price and all other details relating to the arrangements that you wish to book before your booking is confirmed. Please note prices in this brochure/website do not include charges for payment by Credit/Debit Card.

Due to ongoing renovations some hotels or their surroundings may have changed, sometimes quite dramatically since the latest update of this brochure or our website. In the majority of cases the images featured are those provided by the relevant suppliers. Please note that the imagery provided is purely for your guidance and need not necessarily provide a current representation of the hotel and its surroundings as further developments may have taken place since these images were taken.

20. Insurance

It is a requirement of booking that adequate travel insurance cover is obtained prior to booking. Please ensure that any policy obtained provides adequate cover for cancellation, missed departure and unused accommodation. You must also ensure that any activities considered hazardous (scuba diving, etc) and travel in light or single-engine aircraft are covered by your policy where you intend to take part in such activities. We advise you to read the details of your policy carefully and take them with you on your holiday. Please note that the majority of insurance policies will exclude any undisclosed pre-existing conditions, medical or otherwise, and we advise you where you have any doubt to check with your insurer prior to booking. We do not sell travel insurance, but on request we would be happy to provide contact details of an insurer who may be able to assist you.

21. Jurisdiction and Applicable Law

These Booking Conditions and any agreement to which they apply are governed in all respects by English law. We both agree that any dispute, claim or other matter which arises between us out of or in connection with your contract or booking will be dealt with by the Courts of England and Wales only (if not referred to Arbitration under Clause 18). You may however, choose the law and jurisdiction of Scotland or Northern Ireland if you live in those

places and if you wish to do so. If any part of this contract is found by a competent authority to be invalid, unlawful or unenforceable then that provision shall be deemed not to be a part of this contract and it shall not affect the enforceability of the remainder of this contract. No term of this contract is enforceable pursuant to the Contracts (Rights of Third Parties) Act 1999 by any person who is not a party to it.

22. Subsequent Versions of these Conditions

These booking conditions are accurate at the time this brochure was printed. We may alter these terms and conditions at any time. If we do so, all subsequent bookings will be governed by the newer version. You must check our website for the applicable up to date version of these terms and conditions.

AITO is the Association for independent and specialist holiday companies. Our member companies, usually owner-managed, strive to create overseas holidays with high levels of professionalism and a shared concern for quality and personal service. The Association encourages the highest standards in all aspects of tour operating.

Exclusive Membership

AITO sets criteria regarding ownership, finance and quality which must be satisfied before new companies are admitted to membership. All members are required to adhere to a Code of Business Practice which encourages high operational standards and conduct.

Financial Security

An AITO member is required to arrange financial protection for all holidays and other arrangements (including accommodation only) booked by customers with the member under the AITO logo. This financial protection applies to customers who are resident in the UK at the time of booking and to most overseas customers who have booked directly with the member. In doing so, the member must comply with UK Government regulations. Members are required to submit details of their financial protection arrangements to AITO on a regular basis.

Accurate Brochures and Websites

All members do their utmost to ensure that all their brochures and other publications, print or electronic, clearly and accurately describe the holidays and services offered.

Professional Service and Continual Improvements

All members are committed to high standards of service and believe in regular and thorough training of employees. Members continually seek to review and improve their holidays. They listen to their customers and always welcome suggestions for improving standards.

Monitoring Standards

AITO endeavours to monitor quality standards regularly. All customers should receive a post-holiday questionnaire from their tour operator, the results of which are scrutinised by the Association.

In addition, customers can leave detailed feedback, accessible from the homepage of this website, or via a direct link supplied by their AITO tour operator, about their holiday.

Sustainable Tourism

All members acknowledge the importance of AITO's Sustainable Tourism guidelines, which recognise the social, economic and environmental responsibilities of tour operating. Those demonstrating their achievements beyond the pure acceptance of this principle are recognised by the award of 2 to 5 star status.

Customer Relations

All members endeavour to deal swiftly and fairly with any issues their customers may raise. In the unlikely event that a dispute between an AITO member and a customer cannot be settled amicably, AITO's low-cost Independent Dispute Settlement Service may be called upon by either side to bring the matter to a speedy and acceptable conclusion.

Many of the flights and flight-inclusive holidays in this brochure are financially protected by the ATOL scheme. ATOL protection does not apply to all holiday and travel services listed in this brochure. Please ask us to confirm what protection may apply to your booking. If you do not receive an ATOL Certificate then the booking will not be ATOL protected. If you do receive an ATOL Certificate but all the parts of your trip are not listed on it, those parts will not be ATOL protected. Please see our terms and conditions for information or for more information about financial protection and the ATOL Certificate go to: www.atol.org.uk/ATOLCertificate.
